Dedication

That Miss Lillie Kunkle teaches United States History with authority is no accident. Born and reared in the raw frontier of the Dakotas, educated in a variety of surroundings ranging from a one room log schoolhouse to the scholarly sophistication of the University of Chicago, conditioned by a variety of teaching experiences here and abroad, and mellowed by countless experiences with students, instructors, and educators, Miss Kunkle is truly a dedicated professional.

It is, then, with pride, but a real sense of the inadequacy of words that we dedicate this small slice of history to our teacher and friend, Miss Lillie Kunkle.

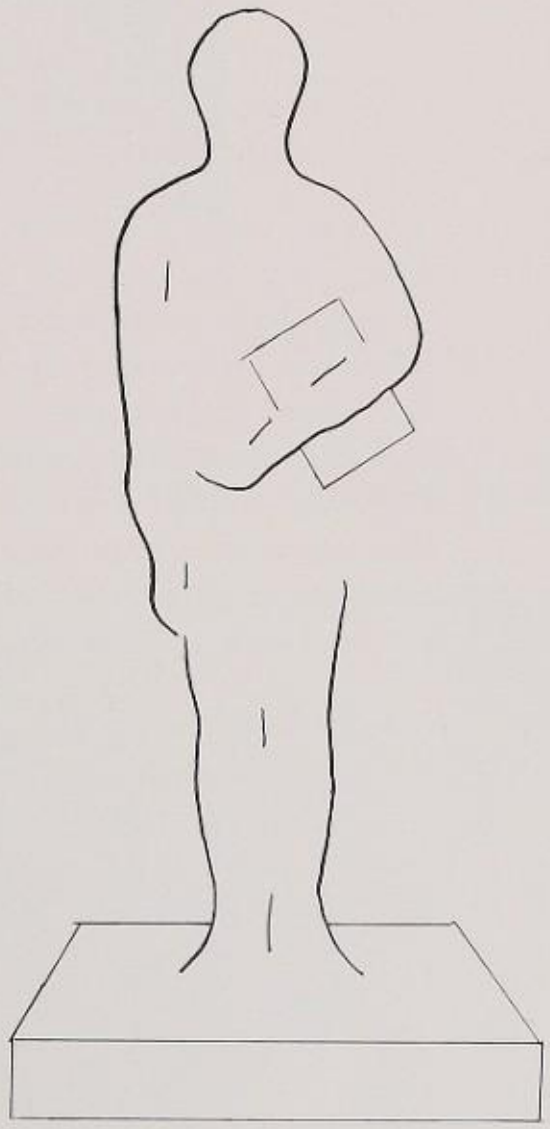
The Oscar has become a symbol for outstanding achievement in the movie industry. Because we feel that an annual is not only a book of memories, but also a book of recognition, we are awarding "Warriors" as symbols of outstanding achievement.

. . . An award to
our faculty, the directors of scholastic ability.



The tempo of human progress and change is ever quickening. More than ever we need to learn the wisdom and experiences of the ages from books and in the laboratories to overcome the wasteful process of learning by trial and error. May the completion of three years of high school work reward each of you with satisfaction and joy in the feeling of purposeful achievement! May the knowledge, skills, and personal growth which you acquired here help you to attain the goals toward which you strive in your chosen work, in your service to others, in your leisure hours, and in the life you live with your family and friends!

Each of you has been blessed with a unique potential. As you leave your high school, may you continue to develop your potentialities to the optimum! May you keep the idealism, exuberance, and enthusiasm of your teen-age years and may you strengthen your habits of thoughtfulness and enrich your understanding of others!

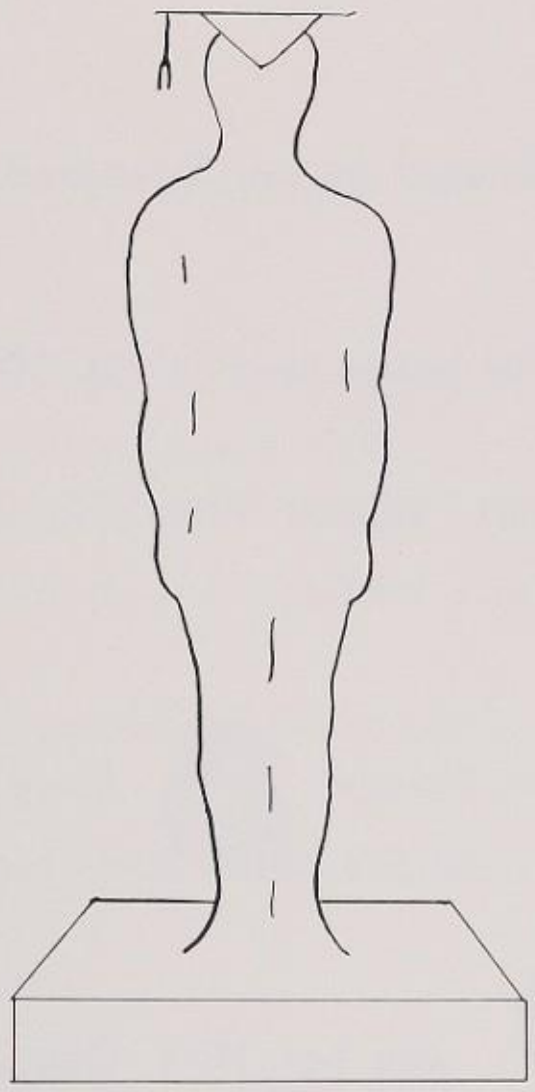
. . . An award to
the graduates, the Class of 1960.



History of the

In the fall of 1957, we entered the doors of WSHS— as sophomores. The election of Nancy and Ove as typicals was our first activity. We rejoiced with Bonnie who was our Hi-Y Queen candidate.

Best wishes went to our first spinster candidate, Gary. Joanie was honored as our Sweetheart candidate.

Our junior year in '58-'59 found us well in the groove. The highlight of the year was "Winter Wonderland," the junior class party. It was planned by our officers, Nancy, Gary, Joan, and Paul. Sharon was our Hi-Y Queen candidate. Our candidate for "Mikado" of '59 was Dave.

Class of 1960

We were all elated when Marilyn was elected Sweetheart of '59.

The fall of 1959 found us back again. Our biggest job was the nomination of royalty. The final balloting revealed Sharon, Merrily, Sandy, Nancy, Dick, Houston, Denny, and Jeff as attendants. The Queen and Marshal reigning over the day's festivities were Carol and Ove. Excitement was the general feeling as Jan was announced Hi-Y Queen. Marilyn was a vivacious Sweetheart.

Our thanks to Mr. Hoover, our class adviser, and all the teachers who have helped us travel along these paths. It is with some sadness we leave this wonderful segment of our lives, but none of us will ever forget these three exciting years.

Representing Our School

Actions speak louder than words, and our representative seniors are people of action. Scholastically they are toppers too. They are alert, alive, keen, and enthusiastic; in short, they are the backbone of the many activities they support.

It's a man's world!

Naughty, naughty!

"That Wonderful Year"

Oh! What you do to me!

Birdseed?

"They said, 'It couldn't be done.' "
(It wasn't)

"Riverboat, ring your bell."

Homecoming Floatwork

Breeze-proof?

The real McCoys

Hmmmmm?

This is the way we start our day.

Incidentally, we do go to school.

October

The Intelligentsia

"O Christmas Tree"

"Huh?"

The gruesome group

November–December

"No kiddin' "

"New York, New York!"

The secret to the beautiful figure

"Above and beyond the call of duty"

Being class president isn't all roses . . .

"Gary has a serious message . . ."

". . . and so does Ove. Wish I hadn't eaten so much . . ."

"Where did Merrily get that klinker? Gotta smile though."

"No laughs in this one. Wonder why my head is so heavy?"

"These girls! All deadly serious. Zzzzz."

"Ha, ha, ha. (What did she say?)"

"If they just wouldn't talk so loud. Ouch! My nose!"

January

Guess who won!

Trial by jury? ? ? ? ?

Planning a trip?

In the winter . . . .

The liars' club met,

. . . we went to a dance,

. . . and a few of us played chess.

. . . An award to
the undergraduates, the up-and-coming stars.

Junior Class Party

With "Swinging on a Star" as its theme, the juniors held their annual Junior Class Party, at the Y.W.C.A., January 23, 1960. Singing, dancing, and hilarious skits provided entertainment. After witnessing this outstanding talent show with Steve Fantle and Jim Mann as masters of ceremony, the juniors were entertained by Julie Jons and Murray Ogborn in a quick change contest. Gretchen Odney and Gary Neuharth won the title as best Coke drinking team, and Jim Lewis, Keel Coddington and Mike Dains tried their shaving technique on balloons covered with whipped cream. An impromptu act by Bill Jones who dropped his camera, added to the fun.

"A pretty girl is like a melody."

Let's be beautiful.

Sophomore Typicals

"Representative of a class" is the definition the dictionary gives for typical, and that is exactly what these ten sophomores seem to be. Especially typical was their first day of school, lost in the big halls and confused by upperclassmen's directions. Now it seems that they are well situated and are showing even more evidence of "typicalness" as they participate in school dances, social hours, clubs, and athletic events.

TYPICAL CANDIDATES, l. to r.: Betsy Jordan, Duke Papas, Paul Van Der Schaaf, Susan Skarda, June Delbridge, Carol Brandland, Jim Adams, Bruce Halverson, Karen Lundberg, and Tony Javurek.

Chorus Presents Two Concerts

Director Boyd Bohlke

The curtain opens and the spotlight shines on the familiar face of Boyd L. Bohlke and his one hundred and thirty voice chorus.

This year the WSHS chorus presented two outstanding programs. The first was the traditional Christmas concert with the nativity scene and girls forming a Christmas tree within the chorus. Among the numbers presented were the "Hallelujah Chorus," "The Little Drummer Boy," and "The Night Before Christmas."

During the chorus' annual spring concert the auditorium rang with such familiar selections as songs from "South Pacific," four versions of "When the Saints Go Marching In," and "Elijah Rock."

One often forgets that seemingly endless practice goes into preparing these two fine programs. Not only do chorus members practice daily during their chorus class, but they also meet on Tuesday nights.

Chorus is an organization of which WSHS is justly proud.

Band Journeys to Black Hills

Straight lines . . . gleaming instruments . . . the WSHS band dressed in full regalia is truly an impressive sight.

From the beginning of the year until the very end our band plays for most school events. At football games they entertain us with a half time performance and at basketball games the pep band helps to lead school spirit. Other activities for band members include playing for the OLD talent show and a formal band concert.

This year the band traveled to the Black Hills, performing in Rapid City and at the Mount Rushmore National Memorial.

Ardeen Foss directs this fine organization.

This ten year old organization was founded by Faye Frick to assist those girls interested in pursuing the teaching profession. Their activities include an initiation dinner, an Easter party at the Crippled Children's School, and a trip to Brookings where they attend a Future Teachers workshop.

The senior members are eligible to participate in the S.D.E.A. contest by writing an essay titled, "Why I Plan to Become a Teacher."

Iline Carlton, Muriel Nuffer, Marian Pfaff, and Mary Mott advise the group.

FNA Pursues Medical Careers

Students interested in following medical careers are invited to join the Future Nurses of America. Through various activities the members get a better understanding of the different opportunities in medicine.

The club's activities include visits to one of the city hospitals, outside speakers from the medical profession, and movies.

This club is sponsored by Miss Frances Flint, Mrs. Donald Breit, and Mrs. Mark Williams. Its purpose is to give students an insight into medical careers.

Art Club Members Express Talent

Our cafeteria bulletin board is always gaily decorated with signs designed by the members of Art Club. Members of Ray Shermoe's class gain new ideas received at the meetings that are held once a month. The Art Club sponsors a social hour, an OLD float, and works with the dramatics department on scenery.

¡Buen Viaje!

One of the most colorful clubs at Washington is entering its twenty-second active year. Programs with films and outside speakers are presented to the members to promote better understanding of the Spanish speaking countries.

The Spanish Club, together with the other language clubs, holds an annual assembly program. In the spring the members climax the year with a large banquet.

The club is sponsored by Mrs. Arlys Leisinger and Miss Helen McQuillen.

Le Circle Francais Chantent

Following a lapse of several years interested students revived the French Club in 1957. French Club activities, supervised by Mrs. Helen Ronan, French teacher, include talks on France, films and a spring banquet with a French theme. This year a new feature, French Glee Club, makes its appearance.

Girls' Staters Learn Concepts of Government

On June 7, 1959, six girls from WSHS left Sioux Falls to spend a very enjoyable week learning the basic concepts of government at South Dakota Girls' State. During their stay on the Dakota Wesleyan campus at Mitchell they learned government by taking an active part in Girls' State governmental operations. These girls were chosen by the faculty on the basis of scholarship, leadership, and personality.

Boys' Staters Participate in Government

Boys' State is a mythical State in which high school boys learn the fundamentals of government by participation. Each spring boys are chosen on the basis of scholarship, leadership, and personality to attend South Dakota Boys' State. This institute, sponsored annually by the American Legion, is held on the campus of Northern State Teachers' College in Aberdeen.

College Club Stimulates Interest in Higher Education

The goal of College Club is to stimulate interest in education beyond high school. The club provides movies, speakers, and panels on the different aspects of college life for its members. This organization also sponsors College Day and the annual Christmas formal dance.

Advisers for this group are Harold M. Hoover, Robert Dolan, Frances Flint, Fred Kohoutek, and Birdie Posthuma.

Librarians Assist Students

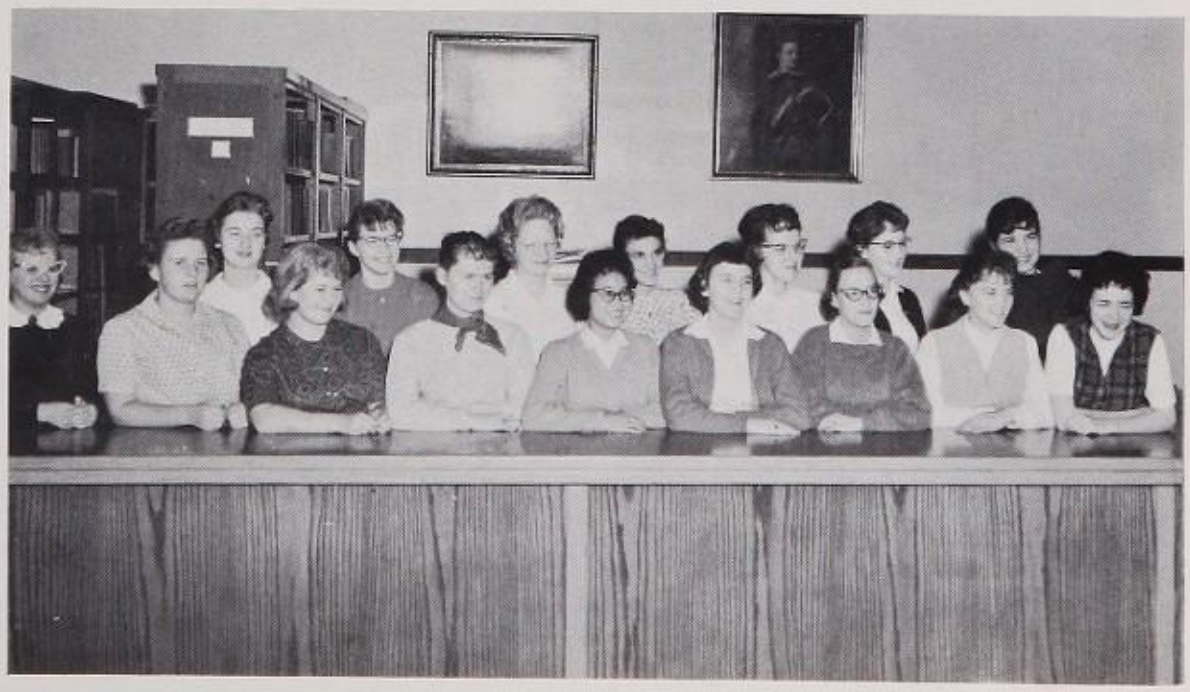
All girls who enroll in library science belong to Librarians' Club. Business and social meetings are held throughout the year.

This experience in turn aids the members in using the high school library resources in connection with their own studies and will help them to use the public and college libraries. The girls give a certain part of their school time to working in the library and thus receive credits. Sponsors for Librarians' Club are Elizabeth Hurst and Almelyne Flint.



Pep Club Backs Cheerleaders

The WSHS Pep Club promotes school spirit under the leadership of its six member board. Members of Pep Club encourage school spirit and participation in athletic events. Sitting as a group at games, the members can easily be identified by their black sweatshirts and Pep Club emblems. Last year the club was reorganized and it is now under the direction of Rosalie Johnson.

Monogram Club, Sweaters and Letters

Boys participating on the varsity teams—football, basketball, track, golf, tennis, or cross country, are eligible for Monogram Club. A white monogram sweater and WSHS letter distinguish boys who belong. Each spring the boys in this club sponsor the Monogram Dance. Another activity of the Monogram Club is supervision of the Dakota Relays. In 1960 they assisted in the NAIA Track Meet which was held at Howard Wood Field. A-Squad

Washington Senior High School "A" and "B" Squad Cheerleaders arouse school spirit at football and basketball games. Each year six sophomores are chosen by the student body as cheerleaders. During their junior year they lead the B-team. As seniors these girls lead cheers at all A-team games. Pep meetings led by our cheerleaders encourage students to attend the games.

Kiwanis Club Honors Leaders

During the year Mr. Rossow, principal, chooses boys who are outstanding in some activity at Washington Senior High School to become Junior Kiwanians. The boys chosen attend meetings and give a speech on a chosen topic for one of the meetings. Junior Kiwanians for this year were Jeff Pochop, Richard Halverson, John Halverson, Dennis Norlin, Doug Cheever, and John Gridley.

L. to r: Jean Cawelti, John Gridley, Stephanie Olsen, and Ginger Crowley.

Declam Winners Bring Honor to WSHS

Ginger Crowley, Stephanie Olsen, John Gridley, and Jean Cawelti were this year's declam winners. They won in the dramatic, poetry, oratory, and humorous divisions respectively. Every year, one person from our school who has excelled in each of these divisions represents us at the regional contest. Winners there go to the state contest. This year we were represented by these people at the state contest in Pierre.

Miss Terine Kron is the adviser and director of this activity.

Extemp Winners Chosen by Toastmasters

L. to r.: Jim Brix, Rich Halverson, and Tom Austin.

Extemp is an activity in which everyone is able to participate. In order to place first, a student must win in three events. First, a contest is held in each English class. The winners in these classes then compete among themselves. The final winners are chosen by the Toastmasters' Club from the group winning the second round. One winner from each classification is named.

Terine Kron is in charge of this event.

Experienced debaters practice debates and extemporaneous speeches each day during the sixth period in Alva Scarbrough's room. Mr. Scarbrough is the Washington High debate coach and teacher.

Quill and Scroll Recognizes Journalists

Students who work on any of WSHS's three literary publications, CHIPS, ORANGE & BLACK, or the WARRIOR, are eligible for Quill and Scroll membership. An annual initiation is held each spring for the new members of this literary honor society. At the spring initiation officers for the following year are chosen.

Biology Board Directs Club Activities

Any student who is or has been in a biology or zoology class may participate in Biology Club. Because of the large number of members, club activities are decided upon by a cabinet made up of one student from each biology and zoology class, making a total of twenty-eight cabinet members. The officers are chosen from the cabinet. Activities of the club include — movies, talks, field trips, demonstrations, projects, and reports concerning biology. Advisers of this club are Homer Thurston, Robert Dolan, Richard Hansen, Joe Lemohn, and George Willis.

Science Club Looks to the Future

Membership in Science Club is open to anyone who has shown an interest or ability in the field of science or mathematics. Organized to encourage students to pursue their interests beyond the limitations of the classroom, WSHS's Science Club is affiliated with the Science Clubs of America. Participation in Science Fairs and in the South Dakota Junior Academy of Science are two of the club's activities.

This club is sponsored by Charles Sidlo.

ORANGE AND BLACK

Busy Workers

Photographer: Jeff Holst

The leading student newspaper in South Dakota, the ORANGE AND BLACK, is a credit to Washington Senior High School. A six page edition is published each week except during vacation. Aside from the newspaper, the staff members publish the student-faculty telephone directory, a souvenir booklet for homecoming, and participate in "Student Publication Day" at the ARGUS-LEADER. Students who write for the ORANGE AND BLACK begin first by taking journalism. Those who want to continue in journalism, then, take newspaper and work on the publication of the paper. The staff is composed of student editors, reporters, salesmen and a student bookkeeper. Lorraine Norman supervises the work of the O & B staff.

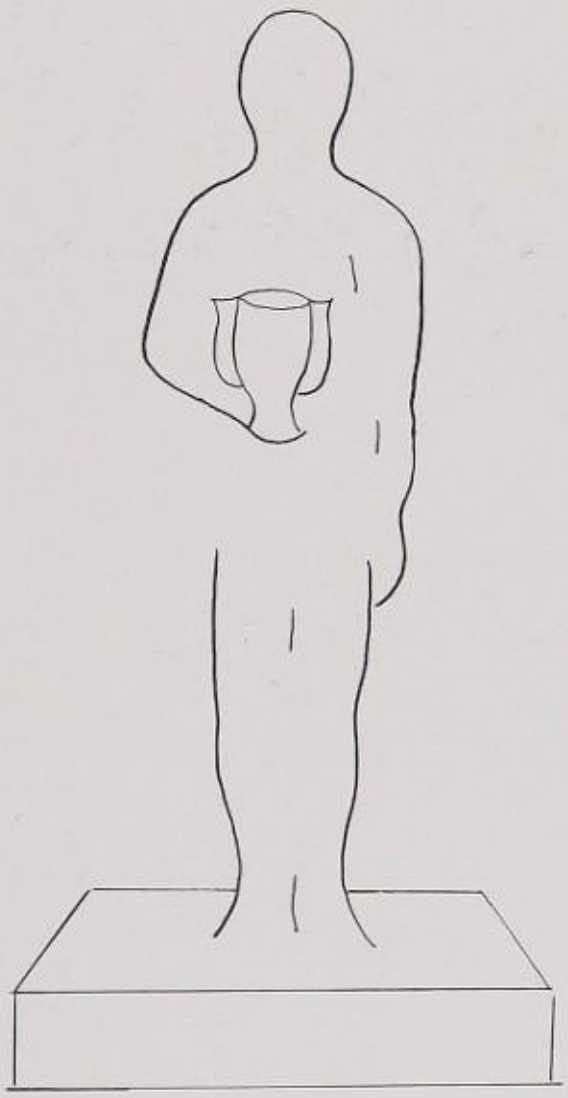
The Bright Side Of School Life



. . . An award to
the athletes who help us gain our fame.

The athletes of Washington Senior High School have once again posted fine marks in all athletic competition throughout South Dakota and the surrounding states. During the past year, the athletes representing WSHS have captured the state track championship, the state tennis and golf tournaments, dominated the ESD basketball conference, and conquered all football opposition in our state. In order to amass a record of this stature, an outstanding coaching staff is required. Also necessary is an abundance of boys who are willing to compete for team berths of which they are never assured. However, an equally important part of athletics at WSHS is that young men learn how to accept defeat as well as victory.

Some rugged defense put up by Boys Town and a few poorly timed fumbles against Sioux City East, turned an early lead and a comfortable advantage into defeats and thus kept the Warrior football team from a perfect record this season.

Despite the fact that the Warriors did lose these two games, the Washington High gridders had a fine season, winning five games, including victories over such highly regarded teams as Rapid City, Sioux City Central, and Eau Claire, Wisconsin.

This year's injury plagued grid team produced several fine stars. Dick Callahan tied an eight year old record at WSHS by scoring 103 points in only seven games. Quarterback Dan Westerlund kept the position he acquired when the number one and two quarterbacks, Ove Skals and Ron Parks were injured. The only sophomore on the squad, Gary Swain, took over the fullback spot after Doug Tschetter was injured and he did a very commendable job.

However outstanding these players were, it's the line that makes the team, and the Warrior line certainly deserves a great deal of credit for the success of the team this year.

Scores of the football season:

Four Warriors on All-State

Sioux Falls Washington took no back seat when it came time to pick the All-State football club. Twelve members of the Warrior squad were picked for either the first, second or third teams, or on the honorable mention list. Leading the Sioux Falls representation were four first teamers: Dick Callahan, Kirk Anderson, Larry Farrand, and Jeff Pochop. Members of the second and third teams were Chuck Elmstrand, Doug Tschetter, Bill Jordan, and Dan Westerlund. Those picked on the honorable mention were Doug Lewis, Gary Swain, Bill Bruns, and Sam Albert.

Little Warriors Win Five

The WSHS sophomore football squad finished a fine season with five wins and one loss. The only blemish on the record was a 19-12 defeat suffered at Sioux City East. In the other five games the Little Warriors showed real prowess in rolling over Watertown 13-0, Flandreau 19-13, Worthington 32-0, Cathedral 18-7, and Sioux City Central 12-0.

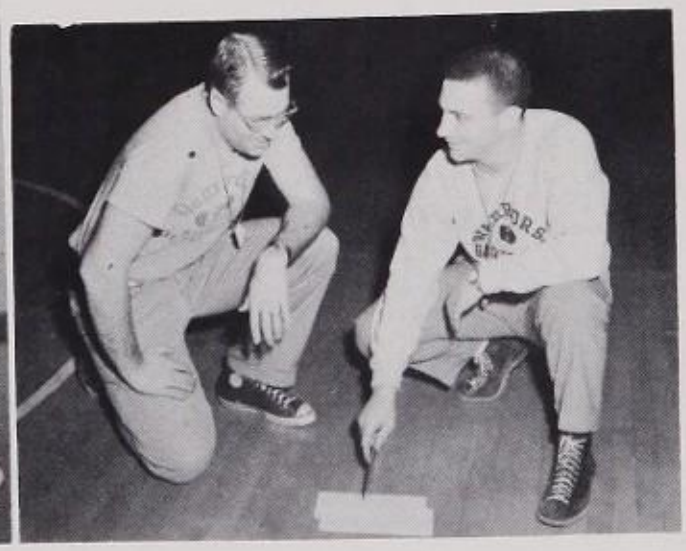
Head Coach, Arnie Bauer



Coaches Day and Caselli

After humbling the Flandreau Indians 62 to 50 and dropping a 47 to 45 heartbreaker to Rapid City, in the first sudden death overtime in meet history; WSHS went on to defeat Lead 60 to 51, and thus gain the third place trophy at the State "A" Tournament. During the regular season, Arnie Bauer's crew posted a fine record, winning fifteen and losing only four. Adding the tournament scores, this makes a total of nineteen wins and five losses. This was a big accomplishment for a team that at the beginning of the season was said to be mediocre. The Washington High cagers came through in fine style, however, winning the Eastern South Dakota Conference crown. Next year's squad should be potent also, with four returning lettermen, two of them starters. In the words of Coach Bauer, the over-all success was "a real team effort!"

As in years gone by the Warrior A squad showed its perennial track prowess in dominating the track scene in South Dakota. With such fine performers as Bud Werner, Dick Callahan, Dutch Haaland, and many others, the Orange and Black captured many of the state's most important track events including the State meet. Special credit for this fine year should be given to our very capable coaches: E. T. Hansen, head coach; Bob Caselli, Dick Day, Lloyd Dobratz, and Dean Mann.

The first trackman from Sioux Falls to ever compete in the All-Comers track meet in Minneapolis, senior Bud Werner, ran the 440 yard dash in a winning :49.7 seconds, besides running the 440 in the fastest time ever recorded by a South Dakota prepster. Bud swept all the dashes and broke the meet records in winning both the 220 and 440. Teammate Dick Callahan also set a new meet record in taking the 880 yard run and placed first in the broad jump.

Bud also dominated these same sprints in many of the state's major meets. Probably his greatest single accomplishment was breaking the state record for the 220 yard dash.

Record Breakers In Action

Last spring the Warrior foursome of Dutch Haaland, Mike Savold, Dick Callahan, and Bud Werner captured the mile relay in 3:30, fastest time ever by South Dakota prepsters, and thus recaptured the coveted Dale Palmer Memorial Trophy for the WSHS trophy case. The tracksters are shown in the sequence at the left, taken during their record breaking performance.

Palmer Award

Dale Palmer was one of the great athletes at WSHS in the 1920's. When Dale died in his senior year in college, Bob Davis, a teammate of Dale's in high school, established this trophy in the memory of this great athlete. Because Dale was most highly recognized for his track accomplishments, each year at the Howard Wood relays, the winner of the high school mile relay is presented with this trophy. This permanently traveling trophy was won in the spring of 1959 by the WSHS team of Dick Callahan, Dutch Haaland, Bud Werner, and Dick Savold.

B-SQUAD LOOKS TOWARD NEXT YEAR

Showing the real potential for the coming seasons was this year's sophomore track squad. Although the squad didn't have a great many individual stars, the sophs proved to be a very well balanced group. This was proven in the Sioux Falls Sophomore Track Invitational, where, although the sophs didn't place first in too many events, the Little Warriors did win the meet.

Kneeling: Gary Nield, Tom Main, Rick Klawiter, Larry Maschino, Terry Thoms, Dick Sebbo, Jim Burdette, Dennis Neuharth, Mike Harris, Jim Sorenson, Jim Brewer, Dick Raley.

Standing: Don Foster, Paul Erick, Kenneth Pauling, Jim Taylor, Gary Neuharth, Bruce Kallenberger, Gerry Pasco, Marv Gamberg, Ron Souter, Bruce Roningen, Bill Bruns, Roland Pearson, Dave Fennig, Jim Reynolds, Lyle Larson, Bill Hahn, Bill Willard, John Odney, Jim Berdahl, Lyle Farrand, Mike Dains.

SUCCESSFUL SEASON FOR FALL TRACKSTERS

Sharing the spotlight in the fall with football is fall track. Last fall's cross country track squad, competing at Brookings against over 20 schools throughout the state and surrounding states, brought back the fourth place trophy. The squad which participated in the Brookings meet consisted of Ron Jacobson, Jan Kubicek, Don Breit, Neil Munson, Terry Comstock, and Roland Pearson.

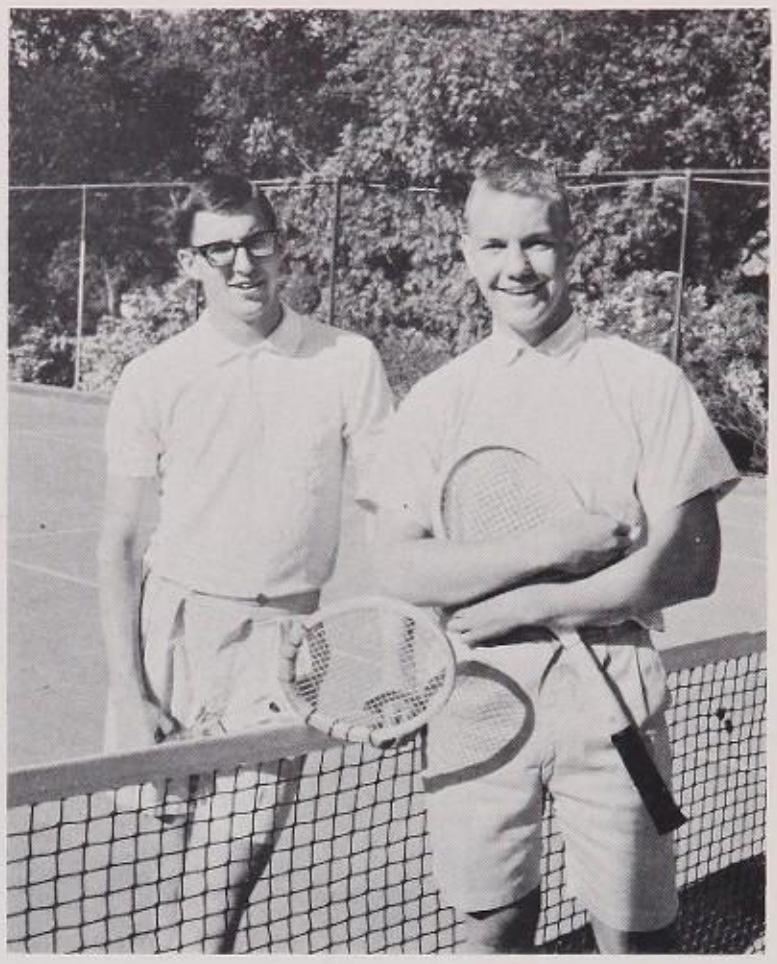
1st row: Jan Kubicek, Don Breit, Murray Ogborn, Ron Brue, Ron Jacobson, Terry Weatherstone, Dennis Doorn, Don Foster, Ken Pauling.

2nd row: Terry Comstock, Neil Munson, Roland Pearson, Lyle Larson, Dick Swift, Mickey Groshart, Dave Munson, John McKenzie, Bill Willard, Dick Carnahan.

3rd row: Al Fjelseth, Jim Falor, Steve Jones, John Early, Jim Kattke, Stan McDonald, Larry Dickerson, Ron Koenekamp, Don Olson, Chuck Hopp, Jon Madland, Ron Keith, Gerry Pasco, Wendell Simko, Dennis Hippen, Tom Main, Rick Klawiter.

LINKSTERS AND NETMEN

Practicing only occasionally, Fred Fischer and Tom Line, WSHS netmen, completed a very successful tennis season. While the Warrior thinclads were competing in the state track meet, the tennis team was in Mitchell, busy sweeping the state tennis titles. Tom Line won the state singles title and Fred Fischer advanced to the semi-finals before being ousted. Then Fred and Tom teamed up to capture the state doubles title.



Tom Line, Fred Fischer

Taking first place in the SDHSAA golf meet last May were two Washington High golfers. Keel Coddington and John Van De Walle carded identical scores of 150 in tying for the top spot in individual scores. The two linksters teamed together to give Washington High first place in team competition.
